# NSYSU Admission for International Students

## 1. Eligibility

Eligibility is stated in Article 2 of the “MOE Regulations Regarding International Students Undertaking Studies in Taiwan.” Applicants should refer to the full text of the regulation provided by MOE in case of inquiries.

- (1) Individuals of foreign nationality, who has never held nationality status from the Republic of China and does not possess an overseas Chinese student status at the time of application, are qualified to apply for admission under this regulation.
- (2) Individuals of foreign nationality, pursuant to the following regulations and who held residency overseas continuously for no less than 6 years, are also qualified to apply for admission under this regulation.
  - a. An individual who has a nationality status from the Republic of China at the time of birth but does not hold a household registration must state this status on the application.
  - b. An individual who has had nationality status from the Republic of China but has renounced this nationality status with formal annulment notice from the Ministry of the Interior for at least 8 years at the time of the application.
  - c. Regarding individuals mentioned in both of the above articles must not have studied in Taiwan under the status of Overseas Compatriots nor have received admission to academic programs by the University Entrance Committee for Overseas Chinese Students.
- (3) According to the Education Cooperation Framework Agreement, a foreign national, who was selected by a foreign government, organization, or educational institution and does not hold a R.O.C. household registration from the time of his/her birth is not subject to the limitations as prescribed in Paragraph 2, is eligible to apply with approval from Ministry of Education.
- (4) An individual, who had both foreign and R.O.C. nationalities and had renounced this nationality status with formal annulment notice from the Ministry of the Interior for at least 8 years before Feb. 1<sup>st</sup>, 2011 (the effective date of the MOE regulation), is then qualified to apply for admission as an international student and is not subject to the limitation of holding continuous overseas residency for no less than 6 years (as prescribed in Paragraph 2).
- (5) An individual who did not register as an international student and completed high school education in Taiwan, with exception of individuals who had graduated from international high schools or from high schools with dual language programs approved by the MOE.
- (6) An individual who has never been dismissed by other universities in Taiwan due to poor moral conduct, poor academic performance, or found guilty of committing crimes.
- (7) An applicant of foreign nationality, concurrently holding a permanent residence status in Hong Kong or Macao, having no history of a household registration record in Taiwan and, at the time of application, has resided in Hong Kong, Macao, or another foreign country continuously for no less than 6 years. An applicant being a former citizen of Mainland China and holds a foreign nationality, having no history of household registration record in Taiwan, and at the time of application, has resided overseas continuously for no less than 6 years. The term “reside overseas continuously” mentioned in the preceding paragraph means an individual may stay in Taiwan for no more than a total of 120 days per calendar year.

**Violation of any of the above-mentioned criteria will result in immediate cancellation of the applicant’s admission or the deprivation of the applicant’s recognized status as NSYSU registered student, or revocation of applicant’s NSYSU diploma. No certificates will be awarded.**

Notes:

- i. According to Article 2 of the “Nationality Law” of R.O.C., a person shall have the nationality of the Republic of China under any of the conditions provided by the following subparagraphs:
  - (i) His/Her father or mother was a national of the Republic of China when he/she was born.
  - (ii) He/She was born after the death of his/her father or mother, and his/her father or mother was a national of the Republic of China at the time of death.
  - (iii) He/She was born in the territory of the Republic of China, and his/her parents cannot be ascertained or both were stateless people.
  - (iv) He/She has undergone the nationalization process.

Preceding subparagraph 1 and subparagraph 2 shall also apply to the persons who were minors at the time of

the revision and promulgation of this Act.

- ii. The "Overseas Compatriots" prescribed in Paragraph 2 is limited to countries or regions other than Mainland China, Hong Kong and Macau; the term "continuously" means that an individual may stay in Taiwan for no more than a total of 120 days per calendar year.
- iii. The calculation of the 6 and 8 year period prescribed in Paragraph 2 can only be counted up to the starting date of the semester, August 1<sup>st</sup> of 2013.

**Remarks:**

- i. "Extended study" refers to the student who is in 5th year of Bachelors or 3rd year of Masters and Ph.Ds.
- ii. All extended study students with 9 credits or less are charged credit and miscellaneous fees; if more than 10 credits, will be charged as full tuition fees.
- iii. Master and Ph.D. students who have completed all courses are required to register and are charged miscellaneous fees.

c. Students admitted to NSYSU via Education Cooperation Framework Agreement (such as Taiwan Scholarship, VEST500 and other similar programs) shall pay for tuition fees in accordance with the agreements.

- (2) Insurance fee: it is mandatory for international students living in Taiwan to join the National Health Insurance (NHI) after acquiring the ARC (Alien Resident Certificate) for 6 months and the insurance fee will be included in the tuition fees payment form. Students are required to provide proof of personal health insurance upon registration prior to joining the NHI for the period from September of 2013~March of 2014.
- (3) Dormitory fee: NSYSU provides on-campus housing. Dormitory fee is approximately NT\$28,600 per academic year (not including summer and winter breaks). Students may submit application forms for housing

after being admitted. Rooms are assigned on a first-come-first-served basis.

- (4) Miscellaneous fees: Expenses on textbooks vary depending on the fields of study. Fees for meals are approximately NT\$7,000 to NT\$9,000 per month.

## 7. Chinese Language Proficiency

Application who are unable to maintain good standing in course work due to language difficulties will be encouraged to take Chinese language courses at his/her own expense at the Chinese Language Centre, NSYSU. Admission status can be postponed for a maximum of one year. For more information, please contact the Chinese Language Centre at +886-7-525-2000 ext. 3031.

## 8. Visa

- (1) Applicants must submit an original copy of the medical examination report (including HIV Antibody Test) to a nearby R.O.C. embassy, consulate office, or Taipei Economic & Culture Office along with visa application.
- (2) Applicants with any question regarding visa should contact the Bureau of Consular Affairs under the Ministry of Foreign Affairs (website: <http://www.boca.gov.tw>; Tel: +886-2-2343-2888; Fax: +886-2-2343-2968).

## 9. Financial Aids

- (1) Applicants may apply for “NSYSU Financial Aid” when applying for admission. For more details, please visit the NSYSU on-line application website.
- (2) Scholarships are offered by various organizations. The Ministry of Education offers the Taiwan Scholarship (website: <http://english.moe.gov.tw>), and the International Cooperation and Development Fund (ICEF) offers the Higher Education Scholarship Program (website: <http://www.icdf.org.tw/mp.asp?mp=2> ).
- (3) Applicants must note the different application deadlines for scholarships offered by different organizations. Please note that the admission and scholarship application procedures are separated, except for scholarship offered by NSYSU. Applicants who are scholarship recipients are NOT guaranteed admission to the university, and applicants who are admitted to the university are NOT guaranteed any scholarship.
- (4) Applicants can only choose to receive ONE financial aid at a time.

## 10. Part-Time Job Opportunities

After studying in an academic program or a language program for one year in Taiwan with excellent academic performance, international students are eligible to apply for work permit for both on- and off-campus jobs. International students may work up to 16 hours per week, with the exception of summer and winter vacations. Foreigners working in Taiwan are required to file an income tax in May each year. Details concerning foreigners working in Taiwan are specified in the “Regulations on the Permission and Administration of the Employment of Foreign Workers” on the Council of Labor Affairs’ website at <http://laws.cla.gov.tw/Eng/Default.asp>.

## 11. Notes
