Ching **Chang**, Ph.D., is a researcher with long distinguished experiences in national security affairs. He served in the Republic of China Navy as a line officer for over a quarter of a century. Numerous lessons were acquired from various posts in his naval career. Particularly, a decade of sea duty service in which he has committed to different types of surface combatants allows him to grasp much valuable first-hand information and lessons that could never be gained from any academic arena. Further, as a graduate from the Republic of China Naval Academy (Kaohsiung City, Taiwan, ROC), Naval Staff College of the US Naval War College and Naval Command College of the US Naval War College, Dr Chang received orthodox professional military education which serves to support his advancement in research on national security. Dr Chang has a diversified academic background comprised of a Bachelor's degree in navigation and maritime engineering granted by the Republic of China Naval Academy, a Master's degree in electrical engineering gained from the University of Colorado at Boulder in the United States, and a Doctorate in politics and international studies conferred by the University of Hull in the United Kingdom. Apart from the posts in the naval fleet, Dr Chang also attained the position of staff officer at various levels in the defense hierarchy. With nobility granted by the defense authority of the Republic of China, Dr Chang has been selected as the teaching staff in the Chinese Naval Command and Staff College as well as the War College of the ROC National Defense University (Taoyuan City, Taiwan, ROC). Dr Chang also owns a honor to be the speech writer for the Defense Ministers of the Republic of China and in charge of the Office of Policy Coordination for the Defense Ministers for two years. Dr Chang has concluded his military career with the rank of navy captain several years ago, thus acquired a privilege called the "Honorable Citizen of the Republic of China", and was invited

by the ROC Society for Strategic Studies (Taipei, Taiwan, ROC) to be a research fellow. Further, Dr Chang is also an active columnist and TV commentator on political issues. <Email: chingchang@hotmail.com>
